

Best Talks Participant

Explicit Consent Form

Bestepe College affiliated with ESS Training Services Incorporated Company as data controller demands your explicit consent for our processing of personal datas except in exceptional cases that do not require explicit consent in accordance with The Personal Data Protection Law no.6698:

Recorded personal datas of our participants as photographs, audio-visual recordings etc. during Best Talks sessions can be shared on schools website, social media accounts of school (Instagram, Facebook, Youtube etc.) or published brochures, bulletins, newspapers, boards on school, on TV channels etc. for the purpose of promoting the sessions with the public, depending on participants' explicit consent. Besides, the participants can be contacted from their contact informations that are asked on registration form.

I accept that, I have been informed by reading Best Talks' the clarification text on the processing of personal data by checking the box. At the same time, I consent to share my personal data including audio and video recordings that are taken within the scope of the session, on social media accounts, school website, written/printed documents and physical areas of school and I consent to receive e-mails about further sessions by checking of the box.
